1. PROGRAM GOALS

The City of Ventura's Cultural Funding Grant Program, first developed in 1993, supports the following cultural goals as stated in the 2005 Ventura General Plan:

- To support Ventura's cultural infrastructure of arts organizations and artists
- To ensure comprehensive access to and involvement in cultural opportunities by all segments of the community
- To support economic development and increase tourism
- To enhance lifelong learning opportunities in the arts for all ages

2. PROGRAM INFORMATION

- This grant program is open to all Ventura-based nonprofit arts organizations. All organizations will be required to provide proof of their 501(c)3 status or that of their Ventura County fiscal agent(s).
- \$90,000 will be awarded on a competitive basis, with grants ranging in size from \$1,000 - \$20,000.
- Organizations are required to submit financial information via SMU DataArts, www.culturaldata.org, unless their annual budget is less than \$10,000.
- Organizations whose annual budgets are less than \$10,000 are only eligible to request \$1,000.
- **Applicants are required to make a specific grant request. The request may not exceed 10% of an organization's annual budget.**
- Grant funding will be recommended by a panel made up of one Arts and Culture Commissioner, one visual artist, one performing artist/arts educator, one Ventura resident involved with the arts but not affiliated with any arts boards or arts organizations, and one outside grant funding expert.
- Once grant funding has been recommended by the panel and approved by the Arts and Culture Commission, appeals can be made in writing directly to the Parks and Recreation Department within 30-days of the grant approvals. A third party outside the Parks and Recreation Department will arbitrate the appeal, and that decision will be final. No grant contracts will be issued, and no grants will be awarded, until the appeal is finalized.

For organizations with budgets less than \$50,000, a shorter version of the Cultural Data Profile is available. This shorter version makes the data entry process faster and more equitable for small nonprofits.

To start your Cultural Data Profile, visit: <https://www.culturaldata.org/get-started/>

Of note: creating and updating your organization's Cultural Data Profile is an investment in time. This investment provides you with access to SMU DataArts as a resource for reporting your financial and programmatic information during the granting process. Several resources are available to help you complete your Cultural Data Profile and answer questions connected to your Cultural Data profile submission:
